HYPERTEXT GARDENS

Gardens and Paths

Unplanned
hypertext sprawl
is wilderness:
complex and
interesting, but
uninviting.

Interesting
things await us
in the thickets,
but we may be
reluctant to
plough through
the brush,
subject to thorns
and mosquitoes.

Rhizomes. The counter to arbolescent epistemic structures.

- No clear center
- Multiple nodes that can create new Rhizomes from themselves
- No hierarchy – contrast to trees/ roots
